

177-P000 Picks and hooks with 2K comfort grip

DESCRIPTION

The picks and hooks with 2K comfort handle are used for loosening stuck seal rings, separating cables in a cable harness, and various other tasks in plumbing and automotive. The picks & hooks of the 177 series enable sensitive and powerful work due to their two-component handle and high-quality craftsmanship.

RANGE OF APPLICATION

For loosening jammed sealing washers, separating cables, etc

BENEFIT

- Thanks to the rotating cap and quick-twist zone, the two-component handle allows for safe and comfortable work even with one hand
- The slim handle also allows work in tight and hard-to-reach areas

MASTER DATA

GTIN [EAN]	4027474017538
