

223-K 14-piece key hub, dowel pin puller set M 3/-4/-5/-6/-8/-10/-12/-14/ M 16 / M 18

DESCRIPTION

The 14-part key and dowel pin puller set is used for extracting bushings as well as components with threads (dowel pins, keys, bolts, etc.) in crafts, industry, and workshops. In addition to a slide hammer device, various thread inserts are included to extract parts in different sizes.

RANGE OF APPLICATION

For pulling out bushings as well as threaded components (dowel pins, keys, bolts, etc.) in craft, industry and workshop.

BENEFIT

- Application-focused compilation for universal use
- By storing them in the box, the completeness of the set can be easily viewed.
- With the help of the dimensions lasered onto the thread adapters, the thread can be clearly identified

MASTER DATA

GTIN [EAN]	4021176784859
Country of origin	DE
Case material	Tool steel
Series	223-K
Net weight [kg]	2,94 kg
Package contents	1 set
Packaging Act	PAP 21
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
