

328-102 9-piece standard hand punch stamp set DIN 1451 with 2 mm inscription height, 58 - 61 HRC hardness at the engraving

APPLICATION IMAGE

DESCRIPTION

The 9-piece standard number punch set of the series 328 is used for effortless marking of workpieces with a strength of up to 900 N/mm² (27 HRC) in craft, industry, and workshop. The set has a standard typeface according to DIN 1451 and a hardness at the engraving between 58 and 61 HRC. The standard set of the series 328 is a classic, ideally suited for universal application.

RANGE OF APPLICATION

For easy marking of workpieces with a strength of up to 900 N/mm² (27 HRC)

BENEFIT

- Special durability thanks to the cold forming process, which does not interrupt the fibre orientation of the material.
- Packed for clarity in our proven, shatterproof plastic case
- A finely ground visible edge on the side allows for precise working

OPERATION

- Set the stamp and use a hammer to emboss it into the material

MASTER DATA

GTIN [EAN]	4027474688257
