

331-503 27-piece letter punch set DIN 1451, 3 mm character height, 58 - 61 HRC hardness at the engraving

DESCRIPTION

The 27-piece letter punch set with extra heavy quality of the 331 series is used for the effortless marking of workpieces with a strength of up to 1300 N/mm² (42 HRC) in crafts, industry, and workshops. The set has a standardized typeface according to DIN 1451 and a hardness at the engraving between 58 and 61 HRC. The extra heavy letter punches of the 331 series have a larger shaft, which increases the weight and significantly facilitates the stamping into the workpiece.

RANGE OF APPLICATION

For easy marking of workpieces with a strength of up to 1300 N/mm² (42 HRC)

BENEFIT

- Special durability thanks to the cold forming process, which does not interrupt the fibre orientation of the material.
- Packed for clarity in our proven, shatterproof plastic case
- A finely ground visible edge on the side allows for precise working
- The larger shaft provides a better grip

OPERATION

- Set the stamp and use a hammer to emboss it into the material

MASTER DATA

GTIN [EAN]	4027474928681
Country of origin	DE
Case material	Tool steel
Series	331-500
Net weight [kg]	0,93 kg
Package contents	1 piece
Packaging Act	PP 05
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
