

# 334-900 Universal side cutter seal pliers ø 8 mm

## DESCRIPTION

The side cutters seal pliers of the series 334 are used for cutting sealing wire and sealing with just one tool in crafts, industry and workshops. The precisely manufactured plier combination of seal pliers and side cutters is able to combine various tasks in a single tool and thus ensure a faster workflow.

## RANGE OF APPLICATION

For cutting the sealing wire and sealing with only one tool

## BENEFIT

- Time saving, as the tool does not need to be changed between work steps
- The interchangeable stamp is available from us with your desired engraving

## OPERATION

- Either use as side cutters or insert the seal and seal the workpiece
