

517-150K One-handed clamp, up to 150 mm clamping range, with 85 mm clamping depth

DESCRIPTION

The one-hand clamp of series 517 is used for compressing and holding multiple workpieces. The one-hand clamp is mainly used in the wood sector. The one-handed operability ensures maximum flexibility. The protective caps guarantee gentle handling of the workpiece. Thanks to the 2-component plastic handle, ergonomic working is enabled.

RANGE OF APPLICATION

For compressing and holding multiple workpieces.

BENEFIT

- One-handed operation for clamping and releasing through two separate operating elements
- Ergonomically designed 2-component plastic handle
- Tool-free reversible to spread thanks to intelligent release mechanism on the top

MASTER DATA

GTIN [EAN]	4027474039905
Country of origin	DE
Case material	Tool steel
Series	517
Net weight [kg]	0,655 kg
Package contents	1 piece
Packaging Act	PP 05
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
