

980-250 Berliner shears right 250 mm

DESCRIPTION

The Berliner shears are used for long and straight cuts for chipless cutting of sheets. Thanks to the blue protective coating, the puller legs have an especially good grip. The fixed stop protects the blades and prevents possible injury from crushing. Additionally, the shears are characterized by easy handling and smooth cutting.

RANGE OF APPLICATION

For long and straight cuts for chipless cutting of sheet metal

BENEFIT

- High force through force-amplifying lever
- Fixed stop provides protection for the cutting edges
- Protective coating ensures better grip

OPERATION

- Place the sheet metal at the opened scissor head
- Move the scissor arms up and down until the sheet metal is cut

MASTER DATA

GTIN [EAN]	4027474560775
Country of origin	DE
Case material	Tool steel
Series	980
Net weight [kg]	0,465 kg
Package contents	5 piece
Packaging Act	PP 05
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
