

# 982-301 Sheet metal shears left 300 mm

## DESCRIPTION

The sheet metal shears are used for short and straight cuts as well as circular pattern snips for chipless cutting of sheets. Thanks to the blue protective coating, the legs have a particularly good grip. The fixed stop protects the blades and prevents possible injury from crushing. Additionally, the sheet metal shears are characterized by easy handling and smooth cutting.

## RANGE OF APPLICATION

For short and straight cuts as well as figure cuts for chipless cutting of sheet metal

## BENEFIT

- High force through force-amplifying lever
- Fixed stop provides protection for the cutting edges
- Protective coating ensures better grip

## OPERATION

- Place the sheet metal at the opened scissor head
- Move the scissor arms up and down until the sheet metal is cut

## MASTER DATA

GTIN [EAN]	4027474646189
Country of origin	DE
Case material	Tool steel
Series	982
Net weight [kg]	0,7 kg
Package contents	5 piece
Packaging Act	PP 05
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
