

987-180 Goldsmith/Precision Sheet Metal Shears 180 mm straight

DESCRIPTION

The goldsmith/tinsmith scissors are used for cutting thin sheets. Thanks to the protective coating, the handles have an especially good grip. The slim design of the handles allows work even in hard-to-reach places.

RANGE OF APPLICATION

For cutting thin sheets

BENEFIT

- High force through force-amplifying lever
- Fixed stop provides protection for the blades
- Protective coating ensures better grip
- Slim leg design for working in hard-to-reach places
- Available with straight or curved blades

OPERATION

- Place the sheet metal at the opened scissor head
- Move the scissor arms up and down until the sheet metal is cut

MASTER DATA

GTIN [EAN]	4027474562342
Country of origin	DE
Case material	Tool steel
Series	987
Net weight [kg]	0,15 kg
Package contents	12 piece
Packaging Act	PP 05
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
