

995-200 Work scissors 200 mm / 8"

DESCRIPTION

The work scissors are used for cutting heavy paper, cardboard, thin rubber, leather, and textiles, making them universally applicable. They feature one long and one round grip eye, ensuring optimal guidance.

RANGE OF APPLICATION

For cutting strong paper, cardboard, thin rubber, leather as well as textiles and is therefore universally applicable

BENEFIT

- High force through force-amplifying lever
- Universally applicable for the processing of various materials
- Optimal guidance thanks to long and round hook eye

OPERATION

- Place the material to be processed on the opened scissor head
- Move the scissor legs up and down until the material is separated

MASTER DATA

GTIN [EAN]	4027474563905
Country of origin	IT
Case material	Tool steel
Series	995
Net weight [kg]	0,22 kg
Package contents	1 piece
Packaging Act	PP 05
Global sales capability given	Yes (REACH, RoHS, POP, PROP65, TSCA)
