

997-150 Wick trimmers overall length 150 mm

DESCRIPTION

The wick trimmer is used for trimming burnt-down wicks to the desired length. The glowing wick remains on the cutting edge without contaminating the candle. The wick trimmer features two rounded grip holes that guarantee optimal handling.

RANGE OF APPLICATION

For cutting burnt down wicks to the desired length

BENEFIT

- High force through force-amplifying lever
- The blade catches the glowing wick
- Optimal guidance thanks to round grip eyes

OPERATION

- Place the wick on the open work scissors head
- Move the work scissors legs up and down until the wick is separated
